

PRINTED PACKAGING DESIGN GUIDE

DO YOU HAVE A DESIGN?

YES

Have a designer?

Download our design template from the product page once you have selected from the product options

Once the design is finalised, save it as an editable PDF.

Please ensure the design is in CMYK format and that the text is outlined

PDF file must not be over 10MB in size

Don't have a designer, but have the design in an editable PDF?

Send us your design. We will check to make sure it is suitable for print.

NO, I NEED HELP

We can help with your design

1. Explain to us how you want the design to look

2. Send us necessary materials such as reference images, logos, branding with colours, social media handles, slogans, QR codes

3. Once a general idea has been agreed, we will send you a JPEG proof of the design to approve.

3. If you want further changes to the design, let us know, but remember, you can only ask for changes up to two times as additional charges may occur.
